

CAPABILITIES STATEMENT

ABOUT US

Numunu Staffing is wholly owned by the Comanche Nation of Oklahoma. Numunu (pronounced NUH MUH NUH) is Comanche for 'The People.' We offer outsourcing and staffing solutions in Oklahoma and Texas, filling human capital needs across many industries and functions.

As a Comanche Nation business, we strive to improve employment opportunities not only for Comanche and other tribal members, but for all people -- while solving staffing needs for clients quickly and cost effectively. We are honored to represent the Numunu Nation and proud to know that profits from Numunu Staffing fund tribal community and job training programs.
